

The Procedure to download EVC Online by the Exporter of the Other States

Step-1 : Any manufacturer of Indian made foreign liquor located in state other than Maharashtra desire to export their liquor shall make an application for K-Form registration under rule 9A of The Maharashtra Foreign Liquor (Import and Export) Rule 1963 to the Commissioner State Excise, Maharashtra State, Mumbai, having his office at Second Floor, Old Custom House, Shahid Bhagat Singh Marg, Fort, Mumbai -400001. The K-form registration service is declared under RTS Act .

Step-2 : After the completion of K-form registration process, the exporters of the other states have to registered their liquor brands. This facility is made available online on web application i.e. <https://scmexcise.mahaonline.gov.in/importlabel>. The Excise Department of Maharashtra State will provide the user credentials to the K- Form holder i.e Exporter.

Step-3 : Those importers i.e. traders in Maharashtra state holding Form FL-1 licence who would like to import liquor from the K-Form holder have to apply for Import Pass online on web application <https://scmexcise.mahaonline.gov.in/traders/>.

Step-4 : Thereafter, that concern district superintendent of state excise in Maharashtra may grant an import pass in Form –B under rule 5 of The Maharashtra foreign liquor (Import and Exp) Rule 1963 via the above Web App.

Step-5 : Thereafter, Exporter submit these Import permits before the excise officer of the exporting state & accordingly export pass is granted against the import permit. At present export passes are issued offline. Once the online EVC module is in operation then the export pass issuing authority at the other state will entered the export pass information on the website. <https://scmexcise.mahaonline.gov.in/importEVC/> . The Commissioner of the Maharashtra State will share user credentials to the Excise Authority of the other state and to the Exporter also to enter the relevant information at their end.

Step-6 : Thereafter, In accordance with the Export and Import Pass, liquor is dispatched from liquor manufacturer of other state to the FL-1 traders in Maharashtra state. That information has to be entered on the above web application.

Step-7 : When the liquor is arrived at the importing place i.e. FL-1 trade in Maharashtra state, the liquor is received under computerized module of supply chain management system i.e. Trader Management System .

Step-8 : There after the Superintendent will enable to view the receipt of the liquor and then he will e-signature on the verification certificate (EVC).

Step-9 : The exporter or excise officer at the exporting place will download e-signed EVC.

Step 10:- No Fees will be charged to download the EVC.
