Respected Sir,

With reference to above subject, please note that as per relevant section in Municipal Act governing Municipal Councils & Nagar Panchayats in Maharashtra, these Urban Local Bodies publish notice of water tariff change ahead of the billing cycle for information of water consumers in their limits.

Also as a general practice, most Municipal Corporations also publish notice of tariff change ahead of the billing cycle for information of water consumers in their limits.

Thanks and Regards.

Yours,

(Dr. Kiran Kulkarni, I.A.S.)
